[Experience Exchange](#)

In October 14 and 15 employees of Social Integration State Agency (SIVA) participated in Mental Health Working Group organized by EPR in Portugal.

One of the meeting aims was study visit to [CRPG](#) to get to know better their mental health services.

SIVA employees gained valuable experience in working with people with mental health problems. The new experience will be useful to expand our horizons and knowledges to create new ideas for improving our provided services.
