After vocational aptitude assessment at the Social Integration State Agency, individuals of working age with disability, mental disorders or anticipated disability can acquire state-funded professional rehabilitation service - complete a vocational education or skills acquisition program at Jūrmala Vocational Secondary School.

The duration of the service provided depends on the most suitable academic program.

Process description

Individuals with disabilities should apply for vocational aptitude assessment by phone + 371 29187093, + 371 29249084 or in person at Slokas Street 61, Jūrmala. Other applicants should submit:

- a copy of the prior education document and transcript of records;
- a document issued by general practitioner (valid for one month) about persons health;
- in case the surname/ given name was changed, a copy of the document attesting the change of surname/ given name;
- the passport, ID card or birth certificate should be presented.

Receiving the service according to the choice or based on the results of the vocational aptitude assessment.
