Accessibility for people with special needs

The premises of Social Integration State Agency are fully accessible for people with functional disabilities. We provide possibility to move around all floors of the building using an elevator, easily entering and exiting the building through the automatic doors, the width of doors is sufficient to allow a person in a wheelchair to enter/ escape the building.

For people with mobility disorders there are available adapted numbers with custom bathrooms and toilets, also there are adapted procedures rooms, swimming pool and gym.

In order to ensure safe movement for persons with visual impairment, the first and last steps of the stairs in the SIVA buildings are marked with contrasting colors and every floor contains indications of the number of this floor.
